

Technical Bulletin 142

Version 1.0

29th April 2013

SF6 P1 has become obsolete

Please be aware that the SF6 GasCheck P1 is no longer available from Ion Science, and has been superseded by the LeakCheck P1:p.

Although we will no longer be selling the P1, we will continue to support the product until further notice.

The SF6 GasCheck P1 product information has been removed from the brochure and the manual. New copies are available for download via our website:
