

Technical Bulletin 147

Version 1.0

October 2013

New TVOC firmware now available

Ref. Firmware version 4.11

This firmware was developed to allow an improved test cycle to be implemented across all TVOC models, both new and existing models.

The manual is available for download from the TVOC download page: <http://www.ionscience.com/products/tvoc-fixed-voc-gas-monitor#downloads>
