

Technical Bulletin 139

Version 1.0 18th April 2013

Cub manual now available in seven languages

In our on-going efforts to support our international customer base, the Cub manual is now available in seven languages and can be downloaded from our [Cub](#) webpage.

We are continuing to work to provide you with translated manuals for all our PID products.

Kind regards,

Alex Wadey-Leblond
Sales and Marketing Coordinator
