

Technical Bulletin 155

Version 1.1 22nd July 2014

Updates to instrument manuals & datasheets

We have recently updated the following instrument manuals and datasheets. New versions are available for download from our website:

- [Corvus brochure V1.2](#)
- [Corvus manual V1.1](#)
- [GasCheck 3000 & 3000is manual V2.5](#)
- [GasCheck 5000is manual V2.1](#)
- [Hydrosteel 6000 manual V2.2](#)

The wireless frequency metrics have been updated on technical specification on the Corvus brochure.

Changes to the instrument manuals can be found at the log at the back of the documents.
